

The French Broad Rifles Traditional Muzzleloading Club Schedule for Year 2017

The French Broad Rifle Range is open for members and guests only during these scheduled dates. Shooting or camping during any other time is prohibited. Note: The Woods walk Range is open for club members and guests all year during our normal scheduled shoots. Please watch for cattle and do not go on that range alone. On informal days the course of fire is at the shooter's discretion. It is not mandatory to participate in the competition for rifle or pistols on structured days, if the course allows, individuals may shoot, as they desire.
